Next Board Meeting:

May 9, 2008

Commodore, Don Crabtree announced that he wants to have all board meetings the **Second Friday** of every month. There will only be one board meeting a month during the summer months. Not two, like in the past.

%%%%%%%%%

Social Director, Mary Covill

we need help with the pancake breakfast so please ask for volunteers. also a special thanks to harold and jean denny, mary welsh, bill lara, Crabtree's, Lykes, jo jankowski and Karen Montambeau for manning the garage sale and to everyone who donated items. any leftover items were donated to the copper nail shop(the old hardware store) in grass lake. this resale shop is manned by volunteers, takes donated items, then all the proceeds go to area needy families and the grass lake food pantry. [we made over \\$1000](#) from the garage sale. buildings and grounds has finished the deck spindles(thanks you tom welch,bob lyke and monty anderson,bill walker) and are working on replacing the deck steps, all the upstairs painting is completed and Jeff vincent is replacing the bathroom

ceilings with donated panels.the club also needs volunteers to cut grass this summer. if everyone takes a turn it will save the club yard maintenance fees.contact Mike silveous for more information.

What A Beautiful Day for Dock Day and Clean Up at the Club.

There was a great turn out of club members. Manning the kitchen was Kim Crabtree, Jill Anderson and Janis Kutcha; they cleaned up the silverware and drawers that desperately needed it. **Whenever anyone uses the paper products or silverware, make sure everything is sealed and covered up!** For the outside work we had: Mark Belcher, Linda Carr, Linda Hutchinson, Bob Rivers, Monty Anderson, Rex Rogers, Rod Dameron, John Fenton, Joe Baublis, Jeff Vincent, Don Crabtree, Bob Lyke, Tom Welch, Bill Walker, Don Jones, Mike Silveus, Jerry Weage, Duane Olney, Dave Montambeau, John Fenton, Matt Heywood, Rob Stevenson, Dexter Harshbarger, Josh Kerst, Mary Jabornisky, Josh Crabtree, Charlie Butchart, Lynn Harshbarger-Weage, and Shirley Butchart. There are still things that can be done at the club that didn't get completed. Thank you everyone for all your hard work in getting the club spruced up for this season.

I would appreciate donations of flats of flowers to help with cost of filling the planters down front. You bring the flowers and I'll plant them. I will be supplying flowers like I always do. More would be better. Bring the flowers anytime after May 15, when the frost is gone. Thank you, your secretary, Shirley

New Website Is In Place

We have a new website created by John Fenton. It's not completed yet, you can go: www.wolflakeyachtclub.org we're looking forward to the new change. Other people will be able to visit our website. We will have our private area where we will have to log on. It will give some information about our club. It's nice to check out the other Yacht Clubs to get some ideas for setting up our website.

Sorry about the delay in the Newsletter. Had to get the membership cards and new roster ready to some with this newsletter.....Shirley, Secretary
