Up Coming Events for the Month of: November 27,

Thanksgiving dinner at 4pm at the club. Anyone who thought they were going to be alone for Thanksgiving come and celebrate the Holiday at the club. You'll have to contact Mary Covill at 522-6152 for more details if you need to bring anything.

Don't forget that there will not be any Euchre game the 2nd Saturday in December. It will again start back up the 2nd Saturday in January.

December 6, Don Crabtree Private Party

December 31,

New Year's Eve Party at the Club. If you're looking for a New Year's Eve party, keep the Club in mind. There will be more information later for time and what to bring.

From your Commodore:

Don Crabtree would like to thank everyone who participated in the work bee. It was good participation and the weather was co-operative. A lot got accomplished.

Just a Reminder for New Club Members. When and if you come to a board meeting and you weren't told, if you like to drink and smoke, there is **no drinking and smoking** at the board meetings. You can drink after the board meetings have been adjourned. There is **NO SMOKING** in the clubhouse; it is to be done outside. Thank You.

Sweatshirts are now available at the Club. Thelma purchased a nice assortment of sweatshirts and jackets. There is a very nice assortment of sweatshirts as well as T-shirts and there are jackets now available that would make a very nice Christmas gift. You can check out the prices, sizes, and costs at the club.

From your Social Director, Mary Covill, has made up two upcoming event flyers that you might want to look at thoroughly to make plans to join in on the functions or help out. Your help can always be used.

even though she will be taking over the secretary's position, she put together a projected Upcoming Event flyer to get things off to a great start. If you have any ideas for a party or would like to put on a party contact the social director. New ideas are always welcomed.

From John Fenton on the website. John has copied all of the Minutes, Yardarm, and Roster into a protected password area. The username and password are both "wlyc" all lower case letters. This would be the same for everyone. This should make it easier for users to access it without getting involved in Yahoo. For the users that want to use Yahoo Group to exchange messages and photos, etc. it's still available. I've set up an email address for each of the board positions that is an alias for their actual email address. I've also made a "board" email group that will send messages to everyone on the board. A Vice-Commodore "committee" email group that will send messages to the committee group. See the "Contact Us" link for a list WLYC email addresses:
